

## WIRES-II Round-Table QSO Room Application

- This application must be completed by a registered WIRES-II node owner prior to installing the software enabling WIRES-II Round-Table QSO Room operation.
- The Round Table QSO Room is a special feature of the YAESU MUSEN CO., LTD. (hereinafter referred to as YAESU MUSEN) WIRES-II system, utilizing the YAESU MUSEN host server.
- The Round Table QSO Room feature only works with WIRES-II Version 3.11 or later software, and will not function on earlier versions. The Version 3.11 upgrade is available free for download to registered WIRES-II node owners from the WIRES-II Internet Download Site.
- As with regular WIRES-II operation, YAESU MUSEN has developed the Round Table QSO Room capability for the enjoyment of the Amateur community, but we specifically disclaim and responsibility for any annoyance or inconvenience that may be caused by service interruptions or other anomalies in Round Table QSO Room operation. Please remind your users of this situation, and do not allow users to engage in activity detrimental to the enjoyment of WIRES by other users. YAESU MUSEN retains the right to suspend operating privileges for any node owner on the WIRES-II system at YAESU MUSEN's sole discretion.
- YAESU MUSEN may, periodically, interrupt WIRES-II operation, including Round Table QSO Room capability, for server or other system maintenance. YAESU MUSEN disclaims responsibility for and shall be held harmless from any claims arising from such service interruptions.
- The WIRES-II system, its software, and electronic and printed documents are all copyrighted intellectual property of YAESU MUSEN CO., LTD., and may not be copied or reproduced in any form, forwarded to third parties, or otherwise released to other entities without the express written consent of YAESU MUSEN.
- In case of questions regarding the WIRES-II system, please contact WIRES-II Customer Support.

\* Please complete this form, and send it via fax or mail to YAESU MUSEN at the address shown on the right side of this page. You will receive a Round Table QSO Room ID number promptly.

\* Please write clearly, in large block letters, on this application, so that it may easily be read after transmission via fax.
